OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 30 July 1974

[REDACTED]

1. [REDACTED] Accompanied the Director and Messrs. Duckett, Proctor, [REDACTED] and [REDACTED] to a world wrapup briefing of the full Senate Armed Services Committee. Preliminary to his presentation, the Director discussed with the Chairman and the Committee the fact that we are providing the staff with a copy of the National Intelligence Daily and indicated it was available to all members of the Committee. See Memo for Record.

2. [REDACTED] Received a call from Bud McFarlane, NSC Staff, asking about the status of the Muskie amendment to the State Authorization bill as it pertains to the role of U.S. ambassadors abroad. I advised McFarlane of my conversations with Kempton Jenkins, Congressional Relations, State Department, and subsequently with Al Westphal, House Foreign Affairs Committee staff, and of our intention to meet with Representative Wayne Hays to talk with him about this amendment as soon as a House version of the State bill is reported out. McFarlane said to let them know if they could be of any help on this. I also mentioned to McFarlane our problems with the amendment which has been proposed by Senator Abourezk to the Senate version of the Foreign Aid bill and told him we might be in further touch with him on that item.

3. [REDACTED] Talked with Ed Braswell, Chief Counsel, Senate Armed Services Committee, by telephone regarding Senator Howard Cannon's question about a sensitive Agency project during the course of today's briefing. Braswell's recollection of the facts on this project are a little fuzzy and he asked me to come see him tomorrow.
